   d) Parish Plan and Survey
      Cllr P. Sharples produced ‘The 9 Step Process’ of how to achieve a Parish Plan. One of the main steps is to have ‘Community Consultation’ involving as many people as possible. In order to achieve this Cllr P. Sharples proposed that a survey
of residents would be better achieved through an external agency rather than councillors themselves. Further Cllr P. Sharples asked that a second person be appointed to assist and it was agreed that Cllr Mrs V. Mair be approached.

Cllr P. Sharples proposed that the deeds of the land should be held by the Parish Council. He produced an article on ‘The Use of Village Halls’ and asked for councillors’ comments.

A drawing was produced showing a specimen village hall layout with phases 1, 2 and 3. This showed the conception of starting with the basics and expanding as the facility merits.

- **Action:** The Clerk to contact both WALC and Bill Robinson on their opinion of the best way to manage a village hall – Charitable Trust or other.

f) Benches – design, price and location.
Cllr Mrs V. Mair had produced a report on the number and location of benches. A discussion took place on whether one or two benches should be located on the sports field. Also whether litter bins should initially be provided or not.

This was communicated to Mrs Lynn Marsella who has responded by email and provided photos of the traffic problem caused by the stop being located where it is. She also provided specific reasons as to why the stop should be re-located. This was discussed and the Council decided to pursue the re-location of the bus stop.
