**b) Consortium Liaison**
It was reported that Robert McGuinn was actively chasing Severn Trent Water for more information on licences etc. Cllr T. Medcraft believed that the bushes on Turchil Road had now been attended to.

Cllr P. Venner had tried to set up a meeting with Adrian McInnes of William Davis. The response to the request was “Personally he, Adrian McInnes, had not been in touch with the Council although Gallaghers have met with the planners to discuss the local centre. He is not aware of any meetings with Councillors. There is not yet any consensus amongst the Consortium members about the proposals and would wish to agree this first before it is put forward as a proposal rather than a possibility.”

**Action:** Cllr P. Venner to contact Gallaghers to find out about their discussions with the planners.

On 28\(^{th}\) June Cllrs Medcraft and Sharples had walked Trussell Way talking to residents re traffic calming measures. From this only one resident was entirely in favour of traffic calming measures, two others in favour if that was the majority of the residents, and four definitely against. Views from other residents would be welcome. The barrier across the car park entrance had reduced the problems by 90%.

**Action:** Views welcome from residents re traffic calming measures to be put on the website. Clerk to respond to resident re traffic calming measures.

e) **Village Hall**
Cllr Mrs M. Brett said that the Orbit survey supported the feedback from residents. A meeting is to be held to discuss locations. The Village Hall Report June 2009 proposed that the village hall is run as a Charitable Incorporated organisation: the land and buildings would be held by the Parish Council as Custodian Trustee and day-by-day running would be by a group of management trustees drawn from residents, users and parish councillors.

f) **Benches**
The article in the Parish News had brought one response re part sponsorship of a bench, to which Cllr Venner had responded, and no objections. Rugby Borough Council had proposed that Cawston Parish Council pay them for the benches which they would then order and install.
