   a) **Consortium Liaison**
   Cllr Medcraft reported that Rob McGuinn had been unavailable when trying to contact him. The Maintenance Log for work to be carried out prior to adoption was in progress. One letter had been received from a resident re Whitefriars Drive. Cllr Medcraft will contact the Consortium concerning the next phase along Whitefriars Drive to see when this would be start/finished as this will impinge on the adoption of the road. In the meantime concern has been expressed about the condition of Whitefriars Drive, and can the Consortium make an immediate improvement with a temporary surface. Cllr Sharples suggested that the Consortium place a ‘sleeping policeman’ across Whitefriars Drive, adjacent to the exit from the relief road to cut the speed of vehicles. Cllr Sharples also reported the erection of a shed at the junction of Calvestone Road and Dorset Close, he felt that this could set a precedent and permission of the developer was required. Cllr Medcraft to speak to Rob McGuinn on this subject and Cllr Sharples to the developer.
