Borough Cllr Williams said he would attend the December parish council meeting with outline proposals, which will take into account the Parish Plan. Cllr Mrs. Wilson stated that the Borough and Parish Council would work together on the NEAP.
   Cllr Mrs. Brett advised that the Coventry Road crossing (and the access to the field) had been moved a further 10 yards from the Bilton houses.

7. To receive Working Party reports
   a) Consortium Liaison
      It was reported, by email from Cllr Medcraft, that there was an incorrect statement in the September issue of the Cawston Parish News with regard to maintenance of the estate post adoption. Thanks to Tom Tucker for drawing this to our attention. The councillors agreed the following statement to be printed in the next issue of the Parish News: - “We apologise for reporting to you in error, in the September issue of the Cawston Parish News, that general care and maintenance of the estate post

Chairman's Initials: ............
adoption will have to be funded by the residents through the precept (council tax). The Parish Council would like to correct this statement by stating that the responsibility for care and maintenance will be the Highways Authority."

The issue of the ‘Green Footpaths’ or more correctly ‘Service Strip’ was raised. The Service Strip is usually a strip of land next to the road side of approximately 600mm width. Within this strip and below the ground are some of the services that feed the various roads and houses. The Service Strip can usually be identified by a strip of concrete set at the 600mm distance. When the estate is ready for adoption any use of the area within the Service Strip will be expected to be returned to the original condition. How serious the authorities will treat the incursion into the Service Strip remains to be seen, but for example; someone has planted a tree in the Service Strip and the Consortium insist it is removed, and a resident refuses, legal proceedings will be taken after which the Consortium have the right to move in and remove the tree themselves. An article on this is to be included in the next issue of Cawston Parish News.

Cllr Medcraft has started a Care and Maintenance Log, currently containing 16 entries, of remedial works to be carried out by the Consortium prior to adoption. All councillors and residents are requested to be vigilant around the estate and report any remedial requirements to the Parish Council. An article is to be included in the Parish News advising residents of contact details.

Cllr Mrs Brett advised that the new fencing around the Pumping Station had been completed.

b) Finance and Staffing

Cllr Mistry reported on a 1 to 1 meeting with the clerk. During this meeting the clerk was asked to get quotes for binding the minutes and agendas, a correspondence log to be created and maintained. The clerk said that he wanted to create folder of funding options which could be shared with ‘project leaders’ as appropriate. With the increasing changes to legislation the clerk proposed that he create a ‘Clerk’s Report’ covering any changes or proposed changes in legislation or items of interest to the council. Cllr Venner agreed that this was a good idea but asked that it be sent out with agenda to councillors in order that items could be debated at Council meetings.

The clerk reported the figures for the bank balances:
- Current Account £2,477.55
- Savings Account £132,927.49

- The Council Resolved That: The following payments be approved:-

  - Clerk salary £391.85 Salary for October 2010 Bank transfer
  - Steers Printing £312.00 Printing of September Parish News Chq 000177
  - HMRC £278.65 PAYE to 05/10/2010 Chq 000176
  - Clerk expenses £ 14.35 Postage costs Bank transfer
  - Clement Keys £334.88 External audit fee Chq 000178

- Proposed: Cllr P. Sharples
- Seconded: Cllr Mrs M. Brett

Cllr Mistry reported on progress on the website which is held up by an email issue, which it is hoped will be resolved quickly.

c) Parish Plan and Survey

Cllr Medcraft had produced a list of high priority issues for delivery of the parish plan together with allocated responsibilities. This was discussed and some of the responsibilities changed. These to be notified to Cllr Medcraft and a new list issued.

d) Parish News

Cllr Venner asked for articles to be included in the next issue during the 2nd/3rd weeks of November.

e) Village Hall

Cllr Sharples reported on his ongoing dialogue with Adrian McInnes of the Consortium and produced a plan of the area being offered by the Consortium to the Parish Council. The plan shows an area of 0.5 acres, shown as plot ‘A’ and a further 0.6 acres shown as plot ‘B’. After discussion

- The Council Resolved That: Cawston Parish Council accepts Plot ‘A’ for the consideration of £1, as previously agreed, but to consider an option for the purchase of Plot ‘B’ for a sum to be determined.

- Proposed: Cllr R. Mistry
- Seconded: Cllr P. Venner

All councillors voted in favour.

Cllr Sharples also stated that the planning application for the Commercial Centre would be made at the end of October. Cllr Venner asked Cllr Sharples to get the Consortium to talk with the school head prior to the application.

It is envisaged that the Commercial Centre would comprise a One Stop/Pharmacy and 2 other units.

Cllr Sharples proposed that the council opened a cafe in one of the units staffed by volunteers. Cllr Brett said that finding enough volunteers might be a problem. No decision was taken on this proposal.
