This goes to planning committee on 23 February. Borough Cllr Williams said recycling bins were to be placed at the Bear public House with a view to possibly moving them to the Commercial Centre when built.

7. Opportunity for Mr Rob McGuinn to address The Council on behalf of the Consortium
In the absence of Mr McGuinn items were raised which needed action by the Consortium. The lamp post on the roundabout at the junction of Cawston Grange Drive and Turchil Road had been demolished again. The clerk is to contact County Cllr Butlin to have an assessment of the roundabout undertaken in view of the number of accidents that had occurred at that spot. Also for County Cllr Butlin to look into the speed of vehicles leaving the relief road at Whitefriars Drive. On the question of the barges Mr McGuinn had promised action on these, i.e. plants, or lack of, Whitefriars Drive proposed barge and damage to barge in Gerrard Road.

8. To receive Working Party reports
a) Community Play Area
Photographs of the equipment available had been emailed to all councillors. Not all had completed the priority of items. Cllr Sharples produced schedule of the equipment showing Age Range, Maintenance, Litter, and Vulnerability to Damage, Trouble Drink Graffiti and Risk. This schedule has been sent to all councillors and can be a useful tool in deciding on the priority. Cllr Medcraft said he now had reservations about the location of the play area. Especially in the light of recent reports, where play areas in other towns had been taken over after dark by noisy older groups, and unfortunately had become no go areas for the police. Borough Cllr Williams said that a lot of thought was required to get this right. Cllr Sharples asked that a decision is not rushed and we do it right. Borough Cllr Williams left the meeting at this point.
