Borough Cllr. Williams reported that the planning inspector had upheld Rugby Borough Council’s core strategy proposals.

Borough Cllr. Williams further indicated that Redrow Builders stated that they will be building on the site in the next quarter in a development with 33 affordable houses and the rest 4 and 5 bedroom dwellings.

Cllr Venner raised the issue of road adoption and made the council aware of correspondence between Mark Pawsey MP and the CEO of Severn Trent Water. STW’s position is that they are not holding up adoption of the sewers (and hence the roads).

Cllr Sharples suggested a meeting with STW, RBC, and the Consortium to resolve. Cllr Venner suggested that this should be an on-site meeting to reach conclusion on the issues. Cllr Sharples to arrange with the involved parties and to inform Cllr Venner and Cllr Cool to see if they can attend also. (Meeting subsequently arranged for 23rd June and then moved back to 8th July). Cllr Sharples to confirm.

Parish Cllr Lindsay noted that the grass verges /shrubbery opposite the front of her house is being affected by fly tipping and as the area has not been adopted the Borough Council are not responsible. Borough Cllr. Williams agreed to take the matter up at the Borough Council to see if anything can be done.

Borough Cllr. Stokes indicated that he will contact the consortium on the matter, and Cllr. Mrs. Brett asked what is happening regarding the proposed bollards. Borough Cllr. Stokes notes that the quotes for the bollards are with the Parish Clerk, and he will see if the Borough Council will fit them free of charge. Cllr. Stokes will ask for a copy of the quotes but thinks that they are approximately £90 each, and five in total for erection.

**The Council resolved by majority that bollards be purchased to the value of £600**

**Proposed:** Cllr. P. Venner (Chairman)

**Seconded:** Cllr. Mrs. M. Brett

Cllr. Mrs. Brett noted that the dog waste bin by Coventry Road is constantly overflowing, and asked whether it could be replaced by a larger one. Borough Cllr. Stokes will enquire at the Borough Council about larger bins.

Cllr. Cool noted that the entrance to Cave Road can admit vehicles the size of transit vans and possibly caravans, and asked whether the entrance could be blocked. Borough Cllr. Williams will ask the question of the consortium.

Cllr. Mrs. Brett asked when building would commence on the commercial centre. Borough Cllr. Williams noted that the consortium intend to commence now in July because of the difficulty inaccurately assessing where the utility services were laid.
7. **To approve the Annual Report for the year ending 31st March 2011**
   After discussion it was decided that this matter be deferred to a further meeting before June 30th to ascertain what the figures shown represent.

8. **To approve signatories to the Council Seal on the Land Transfer Document**
   Cllr.Venner noted that it would be possible that people nominated could be on holiday and therefore the land transfer could be delayed.
   The Council resolved unanimously that any two Councillors from Council members be authorised to sign.
   **Proposed:** Cllr.Venner (Chairman)
   **Seconded:** Cllr.Mrs.Brett

9. **To receive and discuss Working Party reports.**
   a. **Consortium Liaison**
      Cllr.Cool has contacted the consortium to set up a meeting to look at ongoing maintenance problems and in reply via an email message the consortium has indicated the level of responsibility held by the builders.
      It was noted that the drains in Callier Close are almost at collapse (and further noted that the majority of homes are now owner occupied) therefore it is unclear what the responsibility the owners face regarding the drains. The consortium indicates that they are not responsible for the drains and therefore Cllr.Cool will write to the builders (W.Davies).
      Fly tipping in Francis Drive appears to have been going on for some time, a letter is to be placed from the Parish Council in the parish magazine and ask that complainants give more details. Cllr Stokes advised that the residents in the area had been offered the use of a shredder a few years ago, but the offer had not been taken up.
      It was noted that the County Council has been informed that a light in the walkway has had its top missing; the County Council indicated that it will be attended but to date nothing has happened.

   b. **Community Play Area**
      Cllr.Mrs.Wilson indicated that a working party met last night and has drawn up a list of equipment required and will meet with Rugby Borough Council on 24th June to draw up a plan to build up a buffer to protect dwellings. Key aspects of the plan will be safety, security and neighbourly. Cllr. Sharples noted that a site meeting would be a better option. Cllr.Mrs.Wilson will suggest this at the meeting on the 24th.

   c. **Community Hall**
      Cllr.Sharples noted that the Parish Council’s solicitor has put a right of access into the drain and the vendor is not happy with that but will consider it. The solicitor will have a new plan of the area and the agreement will be signed by next Thursday (23rd).

   Borough Cllrs.Williams and Stokes left the meeting

   d. **Finance and Staffing including report on finances and to consider and agree any payments to be made.**
