5. Report from Warwickshire Police
A report from the police showed the Crime Statistics for May 2011, as below, but showed zero activity for June and July 2011. The zero activity was questioned by councillors and the clerk is to contact the police on this. May figures showed:-
Burglary from dwellings 4
Burglary other 0
Vehicle nuisance 0
Damage 1
Theft of motor vehicle 0
Rowdy/Nuisance 0
Action: The clerk to contact the police and query the report given and also to request the police presence at council meetings once per quarter.

6. Up to 15 minutes where members of the public in attendance can address The Council.
Brian Griffiths raised the subject of a number of safety issues in the vicinity of Spottiswood Close/Gerard Road. The issues are:-
Parking of cars on Gerard Road directly opposite the junction of Spottiswood Close.
Unmanaged trees and hedges.
Bridleway crossing at Gerard Road.
Long term temporary fencing.
Traffic calming sites.

Action: The clerk to speak to Rugby Borough Council re action possible on overgrown hedges. Also to take up the subject with the Consortium to see if their landscaper can cut back.

7. Opportunity for Borough and County Councillors to address The Council
None present.

8. To receive and discuss Working Party reports:
   a. Consortium Liaison
   Cllr Cool reported items requiring attention had been referred to various builders by Rob McGuinn. Wm Davis is not interested in the drains in Callier Close and this will have to be referred to Orbit Housing for attention. Keir Group are to attend to problems in Durrell Drive and the Dorset Close items are to be attended to. The traffic island in Gerard Road had been attended to and the fencing had been looked at.
   On the question of adoption Cllrs Venner and Sharples attended a meeting with all parties concerned. As regards the pumping station Rob McGuinn had reported this was now ready for formal inspection by Severn Trent Water. It was accepted by STW that this was the case and inspection will be undertaken at the earliest opportunity and Rob McGuinn will be notified of any other outstanding issues with a certificate being issued, hopefully within the next two weeks. All parties agreed to co-operate to their best endeavours to make sure this was done by 8 September 2011.
   STW confirmed that they had already instructed a contractor to “flush through” all of the drains / sewers under the primary roads, the adjacent fields / open spaces and any other connecting pipe work that is to be formally adopted. The same contractor will then continue CCTV inspection of all of them identifying any remedial works required to bring them up to adoptable standard. STW will then schedule the works required and forward them to the Consortium for their resolution. All parties agreed to co-operate to ensure this is done by 8 September 2011.
   It was agreed that Rob McGuinn would contact the WCC/RBC adoptions manager in the near future to inform him of the above and to discuss the extent of the works required to adopt all of the roads. The aim is to complete this by 8 October 2011. It is noted that the extent of these remedial works are not yet known and will require to be reviewed within this period.
   b. Community Play Area
   Cllr Mrs Wilson had met with RBC and reported that costing, with a plan of the area, would be available by the next council meeting. She said that sand would be incorporated into the play area as a base for falling.
   c. Community Hall
   It transpires that the contract for the Commercial Area has not been signed. Our solicitor has reported that a covenant is required not to sell items in the Community Hall and the wording of such covenant is awaited by him. No further action until this is received.
   d. Finance
