Chairman's Initials: ..............
7. To receive and discuss Working Party reports:

a. **Consortium Liaison**

Cllr Cool reported that the County Council’s current position in respect of the requirement for the crossing on Cawston Grange Drive by the play area:

"...the provision for this crossing is considered essential. As you are aware Cawston Grange Drive will be 40mph and it is felt that a controlled crossing will be needed to compliment the uncontrolled crossing points at the roundabouts. The crossing will form a link to existing cycling facilities and will cater for the desire line of pedestrians and cyclists moving from the residential areas to the public open space to the East. With the potential for another 550 residential units coming forward, we feel the use of the crossing point will increase as it forms a direct link to the primary school and proposed commercial area."

Cllr Cool said that we should apply for a reduction of the speed limit on that road.

It was reported that the adoption was not moving forward by Cllr Sharples. There had been an email from Rob McGuinn of MDA Consulting advising the pumping station remedials were only minor and he was arranging for Adroit to return to site to do these. Once complete and re-inspected by STWA, the Section 104 Adoption can be completed. He further advised that the land transfer for the pumping station has been completed and the foul water sewers have been adopted as of 1\textsuperscript{st} October 2011. With regard to the surface water sewer remedial, information from STWA was received on 25\textsuperscript{th} October 2011 and was currently being reviewed with a view to deciding what remedial works are required.

A resident has complained about how clogged up the inlets to the drains are. Silt and soil build up and in some places weeds have taken root and the grills are completely blocked (one that is particularly bad is on Calvestone Road between Gold Avenue and Edwin Close). Cllr Cool is to look into this.

There had been correspondence with a resident over the proposal to provide a car parking space for the sports field off Calvestone Road. It was pointed out that this was only a proposal and no definite action had been taken on this.

b. **Community Play Area**

Cllr Mrs Wilson reported RBC liaising with Consortium.

c. **Community Hall**

Our solicitor had confirmed that the transfer of land for the community hall had now been completed. Cllr Sharples was thanked for his work on the land transfer and also in preparing drawings for outline planning.

Cllr Mrs Brett had emailed a report on the hall to all councillors and a copy is attached to the minutes. A Fun Run had taken place on 30\textsuperscript{th} October to make resident's aware of the need to raise funds for the Community Hall.

Cllr Sharples said that a sign should be put on the fence of the land for the hall to read “Community Hall is coming here soon”. The cost would be in the region of £180. Cllr Cool said this was too expensive. After some debate

**The Council Resolved That:** A professionally produced sign should be obtained to fix to the fence not exceeding the sum of £200

- **Proposed:** Cllr Venner
- **Seconded:** Cllr Mrs Brett

The councillors voted unanimously in favour.

Cllr Mrs Brett asked for a letter of thanks to be sent to Wm Davis for the land transfer and also a plaque or similar in the hall showing the council’s appreciation of the land transfer. The clerk was requested to send a letter of appreciation to the solicitor for his help in completing the transfer.

Articles to Cllr Venner by 20th November. Articles are required for the Fun Run, Carol Concert, Play Area, Community Hall, Planning Consultations, Dog fouling and Commercial Centre. Cllr Mrs Bestwick will look at the design in readiness for the March 2012 Issue.

It was agreed to put the lights on the Xmas Tree on Sunday 27th November at 10.00 am.

8. **To discuss the setting of the budget / precept for 2012/13.**

There was a line by line examination of the proposed budget which, with discussion of individual items, this took some time. It was agreed that the discussions of the meeting would be translated into a final budget for circulation in advance of the next meeting when councillors would vote on the complete plan.

The Council Resolved That: the parish tax for Cawston for 2012/13 be increased by 2.5%

The voting was 4 in favour of 2.5% increase, 2 in favour of 1% increase and 2 in favour of no increase.

The budget / precept cannot be finalised until RBC issue the Average Band D Tax base early in December.

9. **To discuss arrangements for the carol service**

It was confirmed that Rich Burley of St. Marks Bilton would lead the service with the assistance of BEC. The Zephyr Band will play. The clerk to liaise with all to ensure everything is in place. Service will take place on Sunday 11th December commencing at 3.00 pm.
