6. Opportunity for Borough and County Councillors to address The Council

Cllr Mrs Wilson reported that Borough Cllr Williams had said that RBC was continuing negotiations with the Consortium on the play area. The litter bin had been put in place on Calvestone Road as requested. Residents were complaining that this was too high and was causing a health and safety hazard. To be referred back to RBC.

Cllr Mrs Lindsay asked if she could make some comments at this point as she had to leave the meeting very shortly. This was granted by the Chair. Comments were:-

   a) The discussion on the Budget took over the previous meeting and other items were rushed – please look at having this as a separate meeting in future.
b) Dog fouling was a problem around the estate mainly on tarmac surfaces. Suggested larger signs. Cllr Sharples said this should again be highlighted in the Parish News. Clerk requested to contact the dog warden.

c) Concern over February meeting being half-term week.
Cllr Mrs Bestwick requested the attendance records of Parish, Borough and County Councillors be published.
Cllr Mrs Lindsay left the meeting at 7.53 pm

7. To discuss and approve the setting of the budget / precept for 2012/13
The clerk advised the meeting of the Equivalent Band D Properties reported by RBC, this is 1216.51, and was the base for the budget sent out to councillors.
Cllr Cool said he did not agree there should be any increase and asked the council to re-consider. Cllr Sharples said it is 10 years since the estate was built and there had been one previous increase. Cllr Cool felt the green gym would not be built and hence money allocated would not be spent. It was pointed out by Cllr Mrs Wilson that this was not correct. It was pointed out that as councillors had voted in favour of a 2.5% increase at the previous meeting then this could not be revisited. Cllr Emery raised the question of signage and Xmas tree lights to be assured that they were covered in the Budget.
The Council Resolved That: the recommendation from the Finance Committee for the 2012/13 Budget / Precept is accepted

- Proposed: Cllr Mrs Bestwick
- Seconded: Cllr Venner

The councillors voted 7 in favour and 1 against.
The clerk to notify RBC of the precept required.

8. To receive and discuss Working Party reports:

a. Consortium Liaison
420 trees from Woodland Trust would be available for distribution around the estate for planting by children. Crossing on Cawston Grange Drive, by the play area, is to go ahead. Roads off roundabouts should have the lowest speed limits of roads joining; a response from WCC was awaited. Wm Davis had allocated cash for the clearing of gullies. Rob McGuinn was placing order with RBC for the gritting of roads.

b. Community Hall
Councillors had been sent a report prior to the meeting which covered Stakeholders, Fencing and Signage, Outline Planning, Funding, Other Funding, Meeting with Rugby Bridge Club and the Way Forward. Concern was expressed over the liability placed on Trustees of the hall. Cllr Hayward said management of risk – sustainability is the priority. Council should look for a reduction in years in the ‘Head of Terms’ and negotiate the best deal possible. There would be Trustees from CPC, Bridge Club and others. Cllr Mrs Brett asked should negotiations with bridge club continue and all councillors were in favour of this. All councillors were asked to look at possible ways of managing risk over the next 15 years. Cllr Emery said a sign for the hall site would cost in the region of £30, this should read ‘Future Community Hall Site’.
Cllr Sharples reported on a meeting with Karen McCulloch, RBC Planning, who wants the hall turned round.
