   No issues rose.

6. Opportunity for Borough and County Councillors to address The Council.
   Borough Cllr Williams said the bin at the end of the bridle path had not been actioned and he would follow this up.
   The soil blocking access to the sports field off Coventry Road had been smoothed ready for planting.
   With regard to the traveller’s the bollard needed replacing as a matter of urgency. Also measures were needed to ensure they cannot enter any land in the parish. The land which the traveller’s entered is Consortium land and Adrian McInnes stated this had not been adopted due to the hold up in the play area.
   It was agreed to follow up with Sean Lawson to understand what if any countermeasures are required elsewhere on the estate and to request a replacement padlock on the bollard, Cllr Ms Bestwick asked if we could arrange a meeting of interested parties, inclusive of Cawston Parish Council, RBC, Consortium (Rob McGuinn) to look at access issues re travellers. Cllr Venner to progress this.
   Quotes had been received from play equipment manufacturers and information had been forwarded to Wm. Davis without response. A meeting to be arranged between the Consortium, RBC and the Parish Council to take the play area project forward. The Consortium wants RBC to undertake the project which they will fund as per the S.106 Agreement Cllr Mrs Wilson to arrange.

7. Adrian McInnes of William Davis to address the Council

Adrian McInnes spoke about adoption of the estate. He said Severn Trent will adopt subject to resolution of balancing pond issues.

A meeting had been arranged for 20th June 2012 with WCC Highways to confirm a list of remedial work required prior to adoption, this only applied to the main thoroughfares. A contractor was ready to start on the remedial once agreed. WCC require a Toucan Crossing on Cawston Grange Drive and there was a query regarding the speed limit on that road.

Instructions had been given to construct the barge on Whitefriars Drive.

Cllr Cool asked for a list of remedial is sent to him. Adrian McInnes replied we should send our list to WCC Highways, Neil Bennison/Dave Neale, and request a remedial list from them. Once the remedial work is complete adoption can take place. The Consortium will deal with the main roads and individual builders with the minor roads.

A request was made for the Consortium to tidy up the surface of Whitefriars Drive. Children had been playing on the land off Whitefriars Drive and a child had been sprayed with foam, can this area be secured? The perimeter of the site will be fenced around the compound where materials are stored.

Housing is to be built off Whitefriars Drive and the Consortium has detailed consent for the whole site.

As for the Cawston Extension Site Adrian McInnes said this was dependant on the 5 year land supply and primarily on the Radio Mast Site. He said the National Planning Framework is in favour of sustainable development should the 5 year plan not be met.

At this point two parishioners in attendance asked many questions of Mr McInnes and made points and counter points to his answers.

Cllrs Venner and Sharples had spoken to two planners who had confirmed the scheme was not negative on technical aspects. The key issue here is whether RBC can prove that they can meet their housing ‘glidepath’ commitment to achieve the 5 year land supply target. If not, then the Cawston extension may become a viable alternative to try and meet this commitment.

Adrian McInnes referred to the last Parish Council meeting he had attended where reference was made that Dunchurch Parish Council had received all of the S.106 contributions. He stated that no S.106 monies had gone to any Parish council, and he was going to follow this up with Borough Councillor Stokes whom he believed made the comment.

Cllr Ms Bestwick said the concern was over precept monies being paid to Dunchurch PC and felt the same would happen again with the Extension Site.

Cllr Mrs Wilson asked if the Consortium would be willing to donate a sum of money towards the construction of the planned Community Hall.

A promise was made to replace the fencing by the shops.

The shops will commence fitting next week with a completion date of end of July, opening first Thursday in August. They will consist of Budgens, Hairdresser, fast food outlet and a restaurant.

Cllr Venner expressed thanks on behalf of the Council for Adrian McInnes’s attendance.
