- The Council Resolved That: HB Architects be given approval to apply for planning permission

7. Opportunity for Borough and County Councillors to address The Council

None present.

8. a) Consortium Liaison and Adoption

Cllr Venner gave an update on the road and sewer adoptions at Cawston from Robert McGuinn, MBA Consulting:--

1. The surface water sewers cannot be Adopted until a Deed of Grant of Easement for Suds facilities has been signed with Severn Trent. Our Solicitor is progressing these, along with Severn Trent and Rugby BC. There is no date for completion.
2. The Rugby Borough S38 Agreement works – Initial snagging list and remedial works have been completed. Final inspections and adoptions are to take place once 1 above is complete.
3. The Street Lighting on all Agreements need checking and signing off by WCC Lighting Department. We are in the process of getting a Lighting Contractor to inspect all columns, feeder pillars etc. and issue certificates that can be forwarded to WCC.
4. Cawston Grange Drive requires resurfacing in certain areas according to WCC. WCC have agreed a micro-asphalt solution as carried out by Colas. Clearly this would be best done in good weather and would anticipate next March/April.
5. Quotations have been received from WCC for the design of the Toucan crossing.
6. Once we have decided about the Toucan, we can proceed with the design and installation. This will enable us to complete the rest of Cawston Grange Drive to wearing course and seek immediate adoption. This will require the roundabout at the Western relief Road crossing to be completed up to the limit of works in Whitefriars Drive. Again this would be best done in spring, although it is not impossible to do in the winter, providing the duct work etc. is completed for the Toucan.
7. There is also the issue of a formal TRO for a 40 mph Speed Limit along Cawston Grange Drive.

There is a question as to whether WCC have the manpower back in the office to deal with the formal Adoption process once all of the above is completed. This could lead to delays at the last minute. The clerk is to contact County Cllr Butlin on this subject.

Damage between two drains in Kalfs Close has been reported. The lights in Planters Close have been fixed. The items ‘fly’ tipped have been cleared. Woodlands Trust has expressed their thanks for the tree planting.
