### 6. **Opportunity for Borough and County Councillors to address The Council**

Borough Cllr Stokes congratulated the Council on the evening showing the plans of the proposed Community Hall.

He reported there would be very little increase in Council Tax from Rugby Borough Council and congratulated the Parish Council on keeping the precept at zero increase.

Concern had been expressed about parking by the show home in Whitefriars Drive - there was now a car park available.

There had been a rise in anti-social behaviour by the shops and the bike shelter had been damaged. During the recent snow Redrow Homes workforce had cleared the school car park.

Redrow had expressed an interest in becoming more involved and a good project for the future could be the clearing of the ponds.

It had been agreed by RBC to provide bollards at either end of Primary Walk and also adjacent to the Children's Centre. Cllr Venner said he was concerned about access from Cave Close and Cresswell Drive and wanted to see action there. **ACTION** – Cllr Stokes to investigate feasibility with RBC / Consortium.

Borough Cllr Stokes then moved on to the planning application for the Community Hall to which he would be raising an objection. He has also had the planning application ‘called in’ and it would go to the full planning committee.

On the point of access Cllr Cool said the road by the side of the shops was too short and additional land would be needed to accommodate this. Cllr Ms Bestwick said access to the rear would allow the hall to be rotated and would help with energy efficiency.

He expressed an issue with the Bridge Club whom had previously approached the Council in 2007 offering £250,000 of funding. No current Parish Councillor could remember this offer. **ACTION** – Clerk to check the minutes.

Cllr Cool expressed his agreement with Borough Cllr comments and added the hire worked out at £5.12 per hour over the period of the proposed lease. It would be better to borrow the money at a low rate of interest.

Cllr Mrs Brett said an analysis had shown the Bridge Club deal was good.

Borough Cllr Stokes said the empty land between the shops and houses would probably have houses built on it.

Borough Cllr Stokes supports the petition for the Cawston Extension but said it should include Coventry Road residents.
