**The meeting opened at 7.30 pm.**
Cllr Mrs D Wilson chaired the meeting due to the chair arriving later in the meeting.
The chair welcomed Claire Yates as a co-opted councillor.

1. **To receive apologies for absence.**
   Apologies were received from Cllr M Cool and P. Hart, Borough Cllrs M. Stokes and M. Williams.

2. **Declarations of interest as defined by the Code of conduct for Councillors.**
   Cllr Ms Bestwick re Item 8d(ii) Play Area due to proximity of house to area.

3. **Minutes of the Previous Meeting(s).**
   - **The Council Resolved That:** The minutes of Meeting No. 81 dated 21st May 2013 were signed by the Chairman as a true and accurate record of that meeting.
   - **Proposed:** Cllr Ms Bestwick
   - **Seconded:** Cllr Emery
   **Matters arising from the Minutes of the previous meeting.**
   Covered by Action Log.

4. **Report from Warwickshire Police.**
   There was no police presence at the meeting. The crime reports are now obtained from the police website www.police.uk.
   Crime statistics for April 2013 for Cawston Parish were as follows:-
   **Anti-social Behaviour (6) –**
   - Gerard Road, Oatland Drive (4), Spottiswood Close
   **Shoplifting (1) –**
   - Callier Close
   Having checked the database Holyoak Close is not on Cawston Parish

5. **Up to 15 minutes where members of the public in attendance can address The Council.**
   The parishioner who, at the previous meeting, said he is passionate about the estate again voiced concerns that some areas were being neglected. The islands near the relief road were not good, grass
cutting had deteriorated. In general the standard of work needs to be improved and the areas around people’s homes should be formal and looking better. Although representations had been made to the authorities concern there had so far been little or no improvement. It was agreed that Cllr Venner / Cllr Mrs Wilson would contact Sean Lawson of RBC and Rob McGuinn of the Consortium expressing the Councils concern. Borough Cllr Williams to be copied in.

6. **Opportunity for Borough and County Councillors to address The Council**
   County and Borough Cllr Butlin said no party had overall control at Shire Hall. He had been placed on a number of committees. The proposed crossing on Bilton Lane had received no opposition and would be put in place in August this year. They were also looking at traffic calming by the bridge in Bilton Lane.
   On the Cawston Extension he reported the S106 agreement signing was imminent. Cllr Mrs Wilson asked if he knew the details as far as Cawston Parish is concerned. Cllr Butlin promised to contact Karen McCulloch of the Planning Office to get these details and communicate them to Cllr Mrs Wilson.
   On the Lime Tree Village/ Lime Tree Avenue housing he anticipated a speculative planning application in the near future. He confirmed that the Borough Councils Core Strategy was unlikely to stop this as they were currently unable to meet the five year housing requirement. Cawston Parish Council should look at a shopping list of requirements from the proposed site.
   The extension of the Primary School has been taken to the Education Secretary by Mark Pawsey, MP. The move of the school to Academy status could affect funding from the Cawston Extension Site as the money would go to Warwickshire County Council who will have the final say.
   As regards the crossing on Cawston grange drive, although funding is in place, adoption of the road is awaited.
   County and Borough Cllr Williams left the meeting at 8.28 pm.

7. **a) Consortium Liaison and Adoption**
   Cllr Venner joined the meeting at 8.34 pm.
   It was reported Severn Trent Water were still holding up the adoption process. There was a need for a call to action, with a meeting of all parties involved to resolve this. The main problem is that there is no driving force by the parties towards adoption except Cawston Parish Council. There is a need for parishioners to write to Severn Trent Water expressing their dissatisfaction with the state of affairs.

   **b) Community Hall**

   (i) **Build and Design**
   It was confirmed our planning application will be put before the planning committee on 2nd July. Regarding noise and the revision of drawings HB had recommended that we do not need to amend the drawings in respect of the building materials at this stage. The noise report has been accepted by the EHO and the materials currently specified exceed those used to produce the report. Cllr Emery is to find out about the timing of the planning meeting and whether the attendance of HB or councillors is required.

   (ii) **Fundraising incl. Legals and Governance**

   1. The clerk sent out the specification for a ‘Business Advisor’ to three companies. Unfortunately two of the companies declined to quote citing current heavy workload as the reason. The working party had scrutinized the quotation received and considered it met the specification laid down. This covered 29 days commission covering a five month period.

   - **The Council Resolved That:** The quotation from Caroline Pick Consulting is accepted in the proposed cost of delivery, including expenses, of £8,940.
   - **Proposed:** Cllr Ms Bestwick
   - **Seconded:** Cllr Venner
   - All in favour

   - Total Funds £210,707.41
There were five unpresented cheques amounting to £1,067.60 of which four had been presented in June. This left one cheque to Friends of Cawston Greenway outstanding. The Working Group recommends the following payments are approved:

The sub-contractor has started work on the notice boards and litter picking. It was agreed that monthly payments be made against invoices submitted.

(ii) **Update on play area.**
A meeting with RBC had been held where various changes were discussed. It is expected that groundwork’s will start in the next 4 to 6 weeks with a view to being opened prior to the August bank holiday. It had transpired that the transfer of the land from the Consortium to RBC had not been completed.

(iii) **Boundary Change and Petition**
Cllr Mrs Brett said more signatures on the petition were required and it was agreed that this should be completed by the July council meeting.

8. **To hear and consider any received correspondence (including notice of forthcoming external meetings)**
Three applications for donations had been received. These were from Kirsten Smith who requires funding for a Guiding Trip to Switzerland in July 2014. Friends of Cawston PTA to fund a falconry display at the school’s Summer Sizzler. Suzy Davenport who requires help in funding a variety show for charity.
