5. **Up to 15 minutes where members of the public in attendance can address The Council.**

A parishioner said he had had contact with Rob McGuinn and although there had been an improvement in the grass cutting there were still areas that have not been dealt with, in particular the Whitefriars Drive area and paths leading off. Warwickshire County Council had been contacted re the roundabouts on and leading off the Relief Road. The police had been contacted with reference to motorbikes speeding on the Relief Road.

6. **Opportunity for Borough and County Councillors to address The Council**

There was nothing to report.

7. **a) Consortium Liaison and Adoption**

Cllr Venner reported that Rob McGuinn of the Consortium and Jack McCullum of Severn Trent would meet to draw up a schedule of adoption. A three way meeting was suggested but Cllr Venner and Rob McGuinn could not find and date convenient to both of them. Our MP Mark Pawsey had written to Severn Trent on the slowness of adoption and had received a response from the directors. A complaint had been made by a parishioner whose disabled son was having great difficulty getting around due to the state of the estate. Severn Trent has said that their solicitors, Eversheds, are dealing with the paperwork necessary to complete the adoption. It was pointed out that other counties have adopted before all the other Legals have been completed.

It was discussed whether the Parish Council could ask Rugby Borough Council to refund council tax for services not provided at Cawston. The clerk is to look at the break-down of services provided by the Borough Council and which do not apply to Cawston.

Cllr Venner said he would like to see a meeting arranged between Severn Trent, the Consortium, County Council and the Borough Council to ensure there are no further hold-ups in the adoption process.

b) **Community Hall**

(i) **Build and Design**

Cllr Venner expressed the thanks of the Parish Council to all involved, especially Cllr Emery, in the successful planning application for the Community Hall. This application was passed unanimously by the Planning Committee who further commented that they could not understand why this application went to committee.

(ii) **Fundraising incl. Legals and Governance**

Cllr Ms Bestwick gave a progress report following a meeting that had taken place on Governance, Business plan and funding, and Bridge Club. Under Governance the sub group looked at Assumptions / Design Principles, Charitable Status and Governance Options.

The sub group discounted all options except the Company Limited by Guarantee and the Charitable Incorporated Organisation based on the design principles they had discussed. A recommendation will be prepared for the August meeting.

On the Business plan and funding the following are being considered:

- Existing research
- Capital and revenue needs and expectations
- Staffing and maintenance

A revised schedule of the work being undertaken by the consultant was produced.

It was proposed by Cllr Venner and seconded by Cllr Cool that “Cawston Parish Council kindly refuses the offer of the Draft Agreement with Rugby Bridge Club and would be happy to enter into a long term rental agreement with them.”

This was defeated by 3 votes to 2, with 1 abstention.

Cllr Ms Bestwick said that both Long and Medium Term Rentals should be dealt with by the people managing the hall. As such the Council are not in a position to agree the draft.
The Council Resolved That: The Parish Council have reviewed the governance and funding arrangements for the Community Hall and are not in a position to agree to a long term agreement. However, we are seeking dialogue with organisations and groups interested in agreeing medium term commitments, up to 3 years, to enable the future governing body to have a head start in managing the hall.

Proposed: Cllr Ms Bestwick
Seconded: Cllr Cool

Voting was 4 in favour, 1 against with 1 abstention.
