A protocol had been drawn up and had been sent to all councillors prior to the meeting in order for them to comment on at the meeting.

8. **Working Party reports**

a) **Community Hall Up-date and Funding Requirements**

The clerk had attended a Pre-contract Meeting at HB Architects on 13 November at which the contract sum was confirmed. There is included in the contract sum a £20,000.00 contingency for statutory services and unforeseen ground works. The contractors are expecting to commence the project on-site on Monday 5th January 2015. This decision is dictated by the imminent Christmas period and current 8 week lead time on steel work for the super structure. A project programme was handed out by the contractor indicating a construction period of 27 weeks indicating a handover date of Monday 3rd August 2015.

Valuations for payment are to be raised one week prior to our council meetings and a cash flow forecast is to be produced by the contractor to assist in this matter. It was reiterated that we have a strict budget and a project maximum of £800000 has been included in the contract and variations over this limit are not allowed without full discussion in advance with HB and the Parish Council.

Contract documents are to be prepared for issue by Friday 28th November. The clerk is to advise the opening hours of the neighbouring school. The parish Council are to advise who their preferred service supplier is for gas and electricity.

b) **Finance Staffing and Administration**

A report on finance had previously been sent to Cllrs. It was proposed by Cllr M. Duncan and seconded by Cllr M. Emery that all payments listed, totalling £885.77 be paid.

The proposal was unanimously agreed.

The current figure from the bank accounts totalled £244,151.97.

9. **To vote for acceptance of the proposed Budget for the Financial Year 2015-16.**

The proposed budget had been sent to all councillors prior to the meeting. A sum of £1,526.40 for insurance of the Community Hall was added to the expenditure bringing the total to £53,958.40 Plus a 10% contingency of £5,395.84. Total expenditure forecast of £59,354.84.

**The Council Resolved that:** The budget for the Financial Year 2015-2016 is approved with any adjustment to the Precept (To keep a nil increase) being reflected in the Community Hall Project expenditure.
